Attachment 3 to Appendix A
Alternative Valuation Report Service Agreement
(Supplemental Terms - Applies to AVM, PCR and FirstClose Desktop Valuation)
When Purchased by Customer

Section 1.0. PRODUCTS, SERVICES AND USAGE:

1.1. Alternative Valuation Report: An Alternative Valuation Report ("report") is defined as an automated valuation model (AVM) with property condition report, or a hybrid valuation delivered by FirstClose to Customer for a fee and which is subject to this Alternative Valuation Report Service Agreement ("service agreement").

1.2. Transfers of Loans or Servicing: FirstClose's "obligation" and "liability" under this "service agreement" passes to the transferee with the loan if a transfer of the loan or its servicing occurs. Advance notice to FirstClose of such transfer is not required. "Lender" refers to Customer or transferee, as applicable. The foregoing shall not apply, however, to "liability" which arises under paragraph B. of Section 2.2, Liability, wherein loan repurchase shall apply only to the Customer.

1.3. Use of Valuation Report (Eligible Mortgage Loans): The "report" may be used only by the Customer to evaluate and underwrite loans that meet the following criteria. Such loans are referred to herein as Eligible Mortgage Loans:

- A. First mortgage, refinance mortgage, home equity, and home equity lines of credit not to exceed \$1,000,000; and

- C. Loan-to-value and combined loan-to-value not to exceed 100%.

1.4. Ineligible Mortgage Loans: The following loans are excluded from Eligible Mortgage Loans:

- A. Commercial properties
- B. Residential properties of five (5) units or more
- C. Properties located outside of the United States

Section 2.0. OBLIGATIONS AND LIABILITIES:

2.1. "Obligation": FirstClose shall provide a "report" to the Customer that places an accurate value on the property. Accurate means that the value reported in the "report" is no more than one hundred and ten percent (110%) of the property value as determined by a "retrospective valuation" obtained by the Lender. However, if FirstClose disputes Lender's "retrospective valuation," accurate means that the value reported in the "report" is no more than one hundred and ten percent (110%) of the property value as determined by a "retrospective valuation" obtained in accordance with the dispute provisions set forth in Section 5.0, Claim Process. "Retrospective Valuation" means a valuation performed by unaffiliated and disinterested valuation firm that calculates the value of the property as of the date of the "report" using recognized valuation procedures and taking into account information reasonably knowable by FirstClose at the time the "report" was generated. The valuation does not reflect the customary discount due to foreclosure status or a discount for neglect and damage incurred after the date of the original appraisal.

2.2. "Liability": In the event that FirstClose fails to meet its "obligation," FirstClose shall reimburse Customer for any direct financial "loss" incurred by Customer as a result of such failure; however, FirstClose's total "liability" shall be limited to the least of Remedies set forth in 4.0 below.

- A. In the case of loan foreclosure or default the least of the Remedies set forth in Section 4.0 when Customer has satisfied conditions 3.1 through 3.7, in Section 3.0 Conditions; or
- B. In the case of loan repurchase demand from a Government Sponsored Enterprise (GSE): the least of the Remedies set forth in Section 4.4 when the Customer has satisfied all conditions, as revised in this Agreement, except for 3.5, in Section 3. Conditions.

Section 3.0. CONDITIONS:

In the event FirstClose fails to meet its "obligation" resulting in "loss" to Lender, Lender may seek Remedies under this Agreement if all of the following conditions are met:

3.1. Lender has timely paid all fees for the "report" to FirstClose; and

3.2. Lender has documented that the loan is an Eligible Mortgage Loan; and

3.3. Lender has a financial interest in the property pursuant to a mortgage agreement that is secured by a deed of trust or similar recorded security instrument; and

3.4. The "loss" is reported within seven (7) calendar years of the date of the "report"; and

3.5. Lender has:

- A. Foreclosed upon and sold the secured property to a disinterested third party; or
- B. Exhausted all efforts to collect any portion of the outstanding mortgage balance owed by the mortgagor on the secured property. Lender will have exhausted all efforts to collect any portion of the outstanding balance owed by a mortgagor when:
 1. The Eligible Mortgage Loan is in default; and
 2. Lender has made every reasonable attempt to collect, work out, or mitigate the deficiency in a manner consistent with their collection and loss mitigation practices and procedures; and
 3. Lender has presented to FirstClose a written determination, signed by an authorized representative of Lender that the Eligible Mortgage Loan is commercially uneconomical to foreclose upon; and
 4. Lender has charged-off the Eligible Mortgage Loan.

3.6. Neither Lender nor any party submitting the claim for "loss" on behalf of Lender has committed fraud or misrepresentation with respect to any of the terms or conditions of the "service agreement"; otherwise, the "service agreement" is void with respect to the loan for which the claim for "loss" is submitted.

3.7. Lender did not engage in adverse selection. Adverse selection includes obtaining "reports" from FirstClose on selected Eligible Mortgage Loans that (1) carry a higher default risk than the average loan meeting the criteria for Eligible Mortgage Loans, or (2) that are supported by "reports" that Lender has reason to believe fail to meet FirstClose's "obligation."

3.8. Lender is obligated to repurchase a performing loan from the transferee who first purchased the loan directly from the Customer owing solely to an inaccurate "report" and, such repurchase has been completed by the Lender and (1) Lender has made a reasonable effort to satisfy the purchaser's issue with the original "report"; and (2) Lender has received fair market value from a disinterested third party for the resale of the property.

Section 4.0. REMEDIES:

In the event FirstClose has failed to meet its "obligation" under this "service agreement," Lender has suffered a "loss," and Lender has satisfied the Conditions and complied with the Claim Process, FirstClose will reimburse Lender the least of:

4.1 Except with respect to "loss" where Lender has a repurchase demand and has satisfied Conditions 3.8 of this agreement, 100% of the difference between the "report" value and the value subsequently established by "retrospective valuation," (if deductible option is selected) less 10% of the "report" value; or

4.2 The Lender's actual financial "loss," as determined by:

A. The sum of:

1. The mortgagor's unpaid principal mortgage balance; and
2. Accrued and unpaid interest pursuant to the loan up to one hundred eighty (180) calendar days; and
3. Outstanding escrow advances, if any; and
4. Reasonable attorney fees, not including fees or estimates of fees from Lenders staff counsel, and costs, not including Lender's overhead, incurred during foreclosure.

Less:

B. The sum of:

1. The amount collected as a result of the sale of the secured property to a disinterested third party; and
2. Proceeds received by Lender from any source, to include but not limited to, credit life, accident and health, involuntary unemployment or hazard insurance serving to reduce the unpaid debt; and
3. Non-applied escrowed balances; and
4. Any other amounts collected or collectible and applied to, or that could be applied to, the repayment of the Eligible Mortgage Loan; or

4.3 \$100,000

4.4 With respect to "loss" where Customer has a repurchase demand and has satisfied all Conditions, including Condition 3.8, the lesser of the amount specified in Remedy 4.3 or 100% of the difference between the repurchase cost (less any fees, penalties, or other administrative charges) of the loan from the transferee who first purchased the loan directly from the Customer and, the proceeds of the subsequent sale of said loan.

Section 5.0. CLAIM PROCESS:

In order to submit a claim for "loss" under this "service agreement," Lender or its duly authorized representative shall comply with all of the following procedures and conditions. The failure to strictly comply shall render the claim for "loss" void.

5.1. Submit a written claim for "loss" to FirstClose within sixty (60) calendar days of foreclosure sale or repurchase sale, or three hundred sixty-five (365) calendar days from the date of the last loan payment if Lender has satisfied the conditions demonstrating that the property is uneconomic to foreclose upon; and

5.2. Submit a signed written proof of loss to FirstClose within ninety (90) calendar days of the date of the notice of a claim for "loss"; and

5.3. Include the following items in the proof of loss:

- A. A "retrospective valuation" of the property performed on Lender's behalf; and
- B. In the event of foreclosure, evidence of foreclosure and documents relating to subsequent sale of property to a disinterested third party; and
- C. In the event of default, evidence that all of the Conditions have been met; and
- D. Documents and calculations evidencing Lender's actual financial loss; and
- E. With respect to "loss" where Lender has a repurchase demand and has satisfied Conditions 3.8 of this agreement, (i) a copy of the document requiring repurchase of the loan from the transferee who first purchased the loan from the Lender (ii) evidence of said repurchase cost (iii) a copy of the document evidencing sale price of loan subsequent to its repurchase; and

5.4. Cooperate with FirstClose and their authorized representatives in the investigation and settlement of the claim for "loss." Lender shall make every effort to mitigate its "loss" to the greatest extent possible.

Should FirstClose dispute the claim, the amount of "loss" claimed, or the decision of Customer not to foreclose, FirstClose shall provide Lender with the reason(s) for the dispute.

Should FirstClose dispute the value stated in Lender's "retrospective valuation", FirstClose shall select an unaffiliated and disinterested professional valuation firm to perform a second "retrospective valuation" of the secured property. Prior to performing this "retrospective valuation", FirstClose shall present its selection of the valuation firm to Lender. Lender shall either accept FirstClose's proposed valuation firm or propose a different valuation firm meeting the same qualifications within thirty (30) calendar days. FirstClose shall either accept Lender's proposed valuation firm within thirty (30) calendar days, or disapprove of such valuation firm, in which case the two disapproved valuation firms shall select a third valuation firm, meeting the same qualifications, within fifteen (15) calendar days. If Lender accepts FirstClose's proposed valuation firm, FirstClose shall pay for the valuation. If Lender rejects FirstClose's proposed valuation firm and FirstClose accepts Lender's proposed valuation firm, Lender shall pay for the valuation. If the valuation firm is chosen by the two-disapproved valuation firms, Lender and FirstClose shall share equally in the cost of the valuation. The chosen valuation firm shall perform a "retrospective valuation" within thirty (30) calendar days after selection. This "retrospective valuation" shall be binding on both Lender and FirstClose and shall determine the final valuation of the property.

Section 6.0. SETTLEMENT AND PAYMENT:

Payment due under the terms of this "service agreement" shall be made within thirty (30) calendar days after the Lender's claim for "loss," and the amount payable under the "service agreement" has been validated by FirstClose and Lender has executed release documents appropriate to concluding the claim.

Section 7.0. TERMINATION:

This "service agreement" may be terminated by either party for any reason upon sixty (60) calendar days advance written notice.

However, if FirstClose disputes Lender's "retrospective valuation," accurate means that the value reported in the "report" is no more than one hundred and eight percent (108%) of the property value as determined by a "retrospective valuation" obtained in accordance with the dispute provisions set forth in Section 5.0, Claim Process.  - 4. Lender has charged-off the Eligible Mortgage Loan.

3.6. Neither the Lender nor any party submitting the claim for "loss" on behalf of the Lender has committed fraud or misrepresentation with respect to any of the terms or conditions of the "service agreement"; otherwise, the "service agreement" is void with respect to the loan for which the claim for "loss" is submitted.

3.7. The Lender did not engage in adverse selection. Adverse selection includes obtaining "reports" from FirstClose on selected Eligible Mortgage Loans that (1) carry a higher default risk than the average loan meeting the criteria for Eligible Mortgage Loans, or (2) that are supported by "reports" that the Lender has reason to believe fail to meet FirstClose's "obligation."

3.8. The Lender is obligated to repurchase a performing loan from the transferee who first purchased the loan directly from the Customer owing solely to an inaccurate "report" and, such repurchase has been completed by the Lender and (1) Lender has made a reasonable effort to satisfy the purchaser's issue with the original "report"; and (2) Lender has received fair market value from a disinterested third party for the resale of the property.

Section 4.0. REMEDIES:

In the event FirstClose has failed to meet its "obligation" under this "service agreement," Lender has suffered a "loss," and Lender has satisfied the Conditions and complied with the Claim Process, FirstClose will reimburse Lender the least of:

4.1 Except with respect to "loss" where Lender has a repurchase demand and has satisfied Conditions 3.8 of this agreement, 100% of the difference between the "report" value and the value subsequently established by "retrospective valuation," or

4.2 The Lender's actual financial "loss," as determined by:

A. The sum of:

1. The mortgagor's unpaid principal mortgage balance; and
2. Accrued and unpaid interest pursuant to the loan up to one hundred eighty (180) calendar days; and
3. Outstanding escrow advances, if any; and
4. Reasonable attorney fees, not including fees or estimates of fees from Lender's staff counsel, and costs, not including Lender's overhead, incurred during foreclosure.

Less:

B. The sum of:

1. The amount collected as a result of the sale of the secured property to a disinterested third party; and
2. Proceeds received by the Lender from any source, to include but not limited to, credit life, accident and health, involuntary unemployment or hazard insurance serving to reduce the unpaid debt; and
3. Non-applied escrowed balances; and
4. Any other amounts collected or collectible and applied to, or that could be applied to, the repayment of the Eligible Mortgage Loan; or

4.3 \$250,000.

4.4 With respect to "loss" where Customer has a repurchase demand and has satisfied all Conditions, including Condition 3.8, the lesser of the amount specified in Remedy 4.3 or 100% of the difference between the repurchase cost (less any fees, penalties, or other administrative charges) of the loan from the transferee who first purchased the loan directly from the Customer and, the proceeds of the subsequent sale of said loan.

Section 5.0. CLAIM PROCESS:

In order to submit a claim for "loss" under this "service agreement," the Lender or its duly authorized representative shall comply with all of the following procedures and conditions. The failure to strictly comply shall render the claim for "loss" void.

5.1. Submit a written claim for "loss" to FirstClose within sixty (60) calendar days of foreclosure sale or repurchase sale, or three hundred sixty-five (365) calendar days from the date of the last loan payment if the Lender has satisfied the conditions demonstrating that the property is uneconomic to foreclose upon; and

5.2. Submit a signed written proof of loss to FirstClose within ninety (90) calendar days of the date of the notice of a claim for "loss"; and

5.3. Include the following items in the proof of loss:

- A. A "retrospective valuation" of the property performed on Lender's behalf; and
- B. In the event of foreclosure, evidence of foreclosure and documents relating to subsequent sale of property to a disinterested third party; and
- C. In the event of default, evidence that all of the Conditions have been met; and
- D. Documents and calculations evidencing Lender's actual financial loss; and
- E. With respect to "loss" where Lender has a repurchase demand and has satisfied Conditions 3.8 of this agreement, (i) a copy of the document requiring repurchase of the loan from the transferee who first purchased the loan from the Lender (ii) evidence of said repurchase cost (iii) a copy of the document evidencing sale price of loan subsequent to its repurchase; and

5.4. Cooperate with FirstClose and their authorized representatives in the investigation and settlement of the claim for "loss." Lender shall make every effort to mitigate its "loss" to the greatest extent possible.

Should FirstClose dispute the claim, the amount of "loss" claimed, or the decision of the Lender not to foreclose, FirstClose shall provide Lender with the reason(s) for the dispute.

Should FirstClose dispute the value stated in Lender's "retrospective valuation", FirstClose shall select an unaffiliated and disinterested professional valuation firm to perform a second "retrospective valuation" of the secured property. Prior to performing this "retrospective valuation", FirstClose shall present its selection of the valuation firm to Lender. Lender shall either accept FirstClose's proposed valuation firm or propose a different valuation firm meeting the same qualifications within thirty (30) calendar days. FirstClose shall either accept Lender's proposed valuation firm within thirty (30) calendar days, or disapprove of such valuation firm, in which case the two disapproved valuation firms shall select a third valuation firm, meeting the same qualifications, within fifteen (15) calendar days. If Lender accepts FirstClose's proposed valuation firm, FirstClose shall pay for the valuation. If Lender rejects FirstClose's proposed valuation firm and FirstClose accepts Lender's proposed valuation firm, Lender shall pay for the valuation. If the valuation firm is chosen by the two-disapproved valuation firms, Lender and FirstClose shall share equally in the cost of the valuation. The chosen valuation firm shall perform a "retrospective valuation" within thirty (30) calendar days after selection. This "retrospective valuation" shall be binding on both Lender and FirstClose and shall determine the final valuation of the property.

Section 6.0. SETTLEMENT AND PAYMENT:

Payment due under the terms of this "service agreement" shall be made within thirty (30) calendar days after the Lender's claim for "loss," and the amount payable under the "service agreement" has been validated by FirstClose and the Lender has executed release documents appropriate to concluding the claim.

Section 7.0. TERMINATION:

This "service agreement" may be terminated by either party for any reason upon sixty (60) calendar days advance written notice.
